

A little mouse told me...

It's time to get ready for Prekindergarten

For more information
or to register your child
call Joanne O'Brien at
(845) 744-2031 ext. 5751
or email
jobrien@pinebushschools.org

The projected enrollment for the
2010-2011 school year is 108
students. Participants will be
chosen through a lottery process
in early June and parents will be
notified of the lottery results in
shortly after.

Donna Geidel
Universal Pre-K Director and
Pakanasink Elementary Principal
(845)744-2031 ext. 5700

Now through May 28th—the Pine Bush
Central School District is conducting
prekindergarten registration. To participate
in the prekindergarten program, a child must
be 4-years-of-age by December 1, 2010.

The prekindergarten experience engages
children in activities that promote intellectual,
social, emotional, and physical growth
through books, puzzles, art material,
dramatic play props, and math and science
manipulatives.

New York State certified teachers and
teaching assistants provide carefully
planned instruction with lots of opportunities
for children to make
friends, be considerate of others, experience
new things and, by the end of the school
year, be prepared for kindergarten.

***A head start can lead to academic
success!***
