

IMPORTANT NOTICE

RE: School Volunteer Policy

The Pine Bush Central School District Board of Education has adopted a policy regarding school volunteers. It is our desire to encourage active community involvement in our schools, while also providing a safe and secure environment for our students.

The School Volunteer Policy is printed on the back of this page for your information.

Anyone wishing to be a school volunteer, *must* obtain an application and a copy of the School Volunteer Guidelines from the main office of any of our schools or from the District Office. You can also obtain these documents from our district website at www.pinebushschools.org. It is important that you keep a copy of the guidelines for yourself when you submit your signed copy along with your completed application to the appropriate administrator. If you wish to volunteer in more than one building or for more than one program, please submit an application to each principal or program administrator. You may begin work as a volunteer as soon as you have been approved and have obtained your ID badge.

Anyone interested in volunteering, even those who have been active volunteers in the past, must abide by the provisions of the School Volunteer Policy.

The efforts of our volunteers are extremely appreciated. Our school programs and activities would not be as successful as they are without your help.
